

All new Vastex *DRI-CAB*

Introducing the affordable
screen drying cabinet
made for small shops
with big needs.

E-1000 and E-200 exposure
units as well as tabletop presses
mount directly to top.

- Dry coated screens in under an hour
- Holds (10) screens up to 23" x 31"
- On/off switch for easy operation
- Rubber seal on door to keep out light
- Latches keep door closed tight
- Locking casters of easy mobility
